December 2009

Dear Friends,

It's "the most wonderful time of the year!" Here at the Eugene Hearing and Speech Center, our focus this time of year is on kids. We hope your plan of giving this season will include a gift to the Eugene Hearing and Speech Center, to benefit the kids we serve.

Your unrestricted gift will help ensure the Center can continue to provide a significant amount of free and reduced services to community members in need. Our services are especially important for the hundreds of youngsters we treat each year, many of whom are low-income, and who need help *now*, so that they can acquire the skills that will serve them for life. Hearing and speech disorders can have a profound consequence in learning, social interaction, artistic expression, and employment. Your support helps ensure a healthy future for these children, and our community.

You can use the "Donate Now" button below to make an immediate donation!

Don't forget—you can *double* your gift to the Eugene Hearing and Speech Center if the company you work for matches your charitable giving. Check with your Human Resources office if you need additional information.

Don't let this season of joy and giving pass without remembering the mission of the Eugene Hearing and Speech Center. Your gift will change lives. Thank you for all your previous support, and for your commitment today.

Happy Holidays,

Laurence Hamblen  
Executive Director

P.S. If your gift is received by December 31, you will be eligible for a 2009 tax deduction. Again, thank you for your generosity!
