

# S Series iQ –

The smartest,  
most advanced  
hearing aids available.

Hear conversations, not commotion. Starkey's proprietary noise reduction and speech preservation system, Voice iQ, is designed to significantly reduce listening effort. So fast and smart, it can reduce noise between syllables and ensure you experience maximum comfort and the clearest speech possible even in the noisiest environments.

Save 20% on purchase price of iQ11 series,  
if you schedule your appointment by 9/15/10
